

Privacy policy Avit Group

This policy describes what Avit Group and its affiliates (collectively: “AVIT” or “we”) do with personal information we collect from you and the ways in which we may collect that information. You can choose not to provide personal data when requested. However, if you choose not to, and this is necessary for us to provide you with our products and services we may be unable to do so.

How we collect personal data

We may collect your personal data in a variety of ways when you interact with us, including when e.g.: i) you purchase our products and services; ii) we respond to your inquiries and requests; and iii) we obtain feedback from you about our solutions and services. We may also collect your personal data from third party sources and third parties including public databases, business partners with whom we offer co-branded services or engage in joint marketing activities, and third parties that provide list enhancement or similar services, to the extent permitted by applicable law. When you use the AVIT website, we may automatically collect data, including personal data through use of cookies and similar technologies.

Purposes for which we collect and use personal data

We collect and use personal data to e.g.: i) send communications to you; ii) establish, manage, and maintain our business relationships; iii) respond to inquiries and requests; iv) develop, provide, and improve our products and solutions; v) enable you to subscribe to newsletters and mailing lists; and vii) enable you to register for AVIT events, workshops and seminars.

Security of your personal data

AVIT is committed to protecting your personal data from misuse, loss, unauthorised access, modification or disclosure by using a combination of physical, administrative and technical safeguards and contractually requiring that third parties to whom we disclose your personal data do the same. Under applicable data protection legislation we must ensure that your personal information is accurate and up to date. Therefore, please advise us of any changes to your information.

How you can access, correct, update, block or delete your personal data

If you wish to access, correct, update, block, or delete personal data that we hold about you, please write to us using the contact details set out at the end of this Privacy Policy.

Sharing your personal data

We may share your personal data for the purposes above with: i) our affiliates and subsidiaries; ii) business partners, vendors, or contractors to provide requested services or facilitate transactions, including but not limited to processing of orders, assisting with sales-related activities or post-sales support, and providing customer support iii) to protect the rights, property or safety of AVIT, its business partners, you, or others, or as otherwise required by applicable law and iv) where you consent to the sharing of your personal data.

Sharing information onwards

As a global company, AVIT may transfer your personal data to countries where we do business in connection with the purposes identified above in accordance with our Privacy Statement (obtainable via our Data Privacy Officer). We may transfer your personal data from a location within the European Economic Area (the "EEA") to outside the EEA, or from outside the EEA to a location within the EEA. The level of information protection in countries outside the EEA may be less than that offered within the EEA, however we have procedures in place to ensure the protection of your information.

Retaining your personal data

We retain your personal data for as long as is necessary to fulfil the purposes for which it was collected, or to comply with legal obligations, resolve disputes, protect our assets, or enforce agreements. Depending on the purpose, retention periods will vary.
